

Club Kit Borrowing Policy

- 1) **If you borrow something you are responsible for the safe return of that item within the agreed timescale.**
 - a) If the item is not returned, you will be responsible for the **full cost** of the replacement.
 - b) If it is returned late, you may be liable to pay a fee (e.g. to cover the cost of someone else having to hire a rope because you haven't given it back when you agreed to).
- 2) **You are responsible for collecting any club kit from the gear secretary;** it is not their responsibility to get it to you.
- 3) Whilst we want everyone to be able to get as much use out of the club kit as possible, we cannot guarantee that you will always be able to borrow what you want when you want.
- 4) The length of time you can borrow something for will be dependent on what you are borrowing and how frequently it needs to be used by other members.

If you wish to borrow any club kit you will need to send the following details to the gear secretary (currently Bekah McWilliam) one week in advance. If you send it any later than this, it is less likely that you will be able to borrow anything.

- **Kit requested**
- **Loan start date**
- **Return date**
- **Recurring booking?** (e.g. if you would like to borrow the same thing, on the same day each week, please mention you would like a recurring booking).
